

South Church is a covenanting member of the Unitarian Universalist Association of Congregations and is an accredited Welcoming Congregation and Green Sanctuary. Unitarian Universalism is a liberal religion with Jewish-Christian roots. We draw from our heritages of freedom, reason, hope, and courage, building on the foundation of love. We strive to be a congregation that truly welcomes all persons who share our values. We commit to being a congregation that empowers and enhances everyone's participation, especially those

with historically marginalized identities.

Love is the power that holds us together and is at the center of our shared values. We are accountable to one another for doing the work of living our shared values through the spiritual discipline of Love.

Inseparable from one another, these shared values include:

Interdependence: We honor the interdependent web of all existence.

Pluralism: We celebrate that we are all sacred beings, diverse in culture, experience, and theology.

Justice: We work to be diverse multicultural Beloved Communities where all thrive.

Transformation: We adapt to the changing world.

Generosity: We cultivate a spirit of gratitude and hope.

Equity: We declare that every person is inherently worthy and has the right to flourish with dignity, love, and compassion.

The course consists of fourteen, two hour sessions held on Sundays from 1:30-3:30pm. See the August NUUsletter for details!

RELIGIOUS EDUCATION

On most Sundays, the Nursery is open for children 6 weeks through 3 years, and kids in PreK through 7th grade are invited to participate in religious education groups downstairs following the Time For All Ages. Children are also always invited to remain in the sanctuary with their families. On multigenerational worship days, children stay in the sanctuary for worship, where they may choose to play quietly in the Playground or sit in pews.

The mission of our RE Program is to provide programming for children, youth, and families that promotes spiritual growth, intergenerational connections, faith development, a UU identity, and social action within a safe and welcoming environment.
