

S

outh Church is a covenanting member of the Unitarian Universalist Association of Congregations and is an accredited Welcoming Congregation and Green Sanctuary. Unitarian Universalism is a liberal religion with Jewish-Christian roots. We draw from our heritages of freedom, reason, hope, and courage, building on the foundation of love. We strive to be a congregation that

truly welcomes all persons who share our values. We

commit to being a congregation that empowers and enhances everyone's participation, especially those with historically marginalized identities.

Love is the power that holds us together and is at the center of our shared values. We are accountable to one another for doing the work of living our shared values through the spiritual discipline of Love.

Inseparable from one another, these shared values include:

Interdependence: We honor the interdependent web of all existence.

Pluralism: We celebrate that we are all sacred beings, diverse in culture, experience, and theology.

Justice: We work to be diverse multicultural Beloved Communities where all thrive.

Transformation: We adapt to the changing world.

Generosity: We cultivate a spirit of gratitude and hope.

Equity: We declare that every person is inherently worthy and has the right to flourish with dignity, love, and compassion.

BOOK DISCUSSION WITH SENIOR YOUTH - APRIL 27

In April, our book discussion will be in partnership with the Senior Youth on Sunday, April 27 from 4-6pm in person. RELIGIOUS EDUCATION

On multigenerational worship days, children remain in the sanctuary for worship. There are activity packs and supplies on shelves behind the last row of pews. On all other Sundays, children and youth are invited to go downstairs following the Time For All Ages, to participate in religious education sessions. Children are also always invited to remain in the sanctuary with their families.

The Nursery is open for children 6 weeks through 3 years.

The mission of our RE Program is to provide programming for children, youth, and families that promotes spiritual growth, intergenerational connections, faith development, a UU identity, and social action within a safe and welcoming environment.

ISF SUGGESTS NO LEVEL 1 SANCTUARY

After much consideration, the ISF recommends South Church NOT become a Level 1 Sanctuary for several reasons, including the government's declaration it's abandoning recognition of churches as a "no-go" zone for immigration enforcement. The ISF has concluded that offering shelter to immigrants is not the most effective use of energy right now. Instead, we are hoping to develop a rapid response system to quickly amass people to witness ICE apprehensions.
